

## Neosho School Notes

From Mr. Rice 1/15/10

The second quarter ends next Friday. Report cards come home on January 28<sup>th</sup> and Parent conferences are February 11<sup>th</sup>. Now is a great time for students to check with their teachers about any assignments or class work that still needs to be completed before the end of the quarter. Since we are at the halfway point in the school year, students should also be thinking about the effort they have been giving to school so far this year.....*do I honestly need to work harder? Am I studying my multiplication facts enough? Am I keeping-up with my reading? Does schoolwork get the attention it deserves given how important it is for my future?*

If more help is needed (or a quiet place just to start homework) consider "Extra Effort" after school next week. Mr. Pohland does a great job working with all ages and all subjects. Next week Extra Effort is from 3:20-4:20pm on Monday through Thursday. Sign-up in today's envelope!
