

FEBRUARY

Things that we did the week of February 7

- We returned from the PACKER SUPERBOWL VICTORY – YEA! with our own celebration because it finally was the... **100th Day of School!!!** Our fifth grade buddies came to help us as we did many **100** activities: **100** Day headbands and clothing were worn, **100** Day necklaces and posters were made, jumping jacks and claps were counted in **100** seconds, several different **100** collections were brought in as well as **100** Day cupcakes made by Mrs. Schaefer, a **100** dot-to-dot and coloring sheet were worked on with our buddies, we sang our **100** Day song, read a **100** Day poem and stories, finished **100** Day sentences, put **100** blocks together to make a tower, made a **100** Day handprint poster, searched for **100** Hershey kisses, and of course, counted all the way to **100!** Thanks Mom, Dad, Grandma, Grandpa for helping me get ready for this big day! It was so much fun!!!
- Because of all the mail Valentine's Day seems to bring we decided to talk about the **post office** this week. Mail, mailboxes, stamps, and the importance of knowing your address/phone number were discussed. We had fun designing our own mail truck and mailbox too!
- The letter **Qq** was introduced this week as well. We learned its sound and signs. We practiced tracing/writing **Qq**, and did our **Qq** page for our alphabet book. Secret **Qq** Box was fun too! Mrs. Schaefer showed us a real quilt given to her as a gift and actually made by her former third grade class many years ago!
- Colors were reviewed this week too. Mixing colors was also discussed as we listened to a story about two mice experimenting with paint. We were amazed at the new changes we saw: red and yellow = orange, blue and yellow = green, red and blue = purple. We did a great job of designing our own mouse painting too - FUN!
- February 12th is **Abraham Lincoln's Birthday**. We learned about what kind of person he was, what he liked to do, how he dressed, his family, and what he is remembered for. Mrs. Schaefer showed us several pictures of him too. The best part though was painting a picture of him with his tall black hat!

SPECIAL NOTES

THANK YOU to ALL THE PARENTS for taking time out of your day/evening to come for conferences and to those of you who had to rearrange times with me because of the snow day! It's a pleasure talking with each one of you and I thank you for sharing your special child with me.

Yet another **HUGE THANK YOU** goes to **ALL THE FAMILIES** for taking time to help with our **100 DAY FUN!** **THANKS** for helping your child gather **100** items for our **Day 100** celebration as well as wearing **100** too! There was a big variety of clothing: 100 stickers, stamps, fabric glue designs, wiggle eyes, necklaces, etc. etc. etc.
Hats off to all the creative minds at home!

HAPPY VALENTINE'S DAY WEEKEND!!!
