

March

Things that we did the week of March 7

- March sure was acting like a "lion" midweek with that messy snowy morning, but we think (hope anyway) the "lamb" is pushing its way in!
- We talked this week about things that could blow in the wind which led right to our next letter **Kk** for **Kites**. We learned a really fun song about wind as well. **Kk** was also introduced with its sound and signs. We practiced tracing and writing **Kk**, saw Mrs. Schaefer's Secret **Kk** Box, did our **Kk** page for our ABC book, and did several **Kk** projects like kittens, keys, kites.
- As always we continue to review our **letters** and **numbers**. We practiced counting to 8 using the marker board, sequencing with 1-8 cards, and playing memory game using the cards 1-8 only. We are definitely getting good at this game. Two more numbers left and then we can take our thumbprint number book home too - you'll be so surprised! Shamrock Number BINGO was exciting! It sure made learning FUN!
