

# TURKEY DAY!

## Things that we did the week of November 22

This very short week we continued to review Thanksgiving, the colors brown and yellow, our shapes, letters, and the number 4.

Each day we practiced our songs for our show and we got to each color a letter for our Thanksgiving sign that we held up at the end of the show.

We often review in 4K and this week we got to practice tracing/writing all the **letters** we learned so far this school year. Please help me practice at home too. We're proud to know our letters and to be able to write them in 4K!!!

Stone Soup was read again (this time by tape) and we got to add ingredients for our very own Stone Soup. We couldn't wait to try it and let our families have some too!

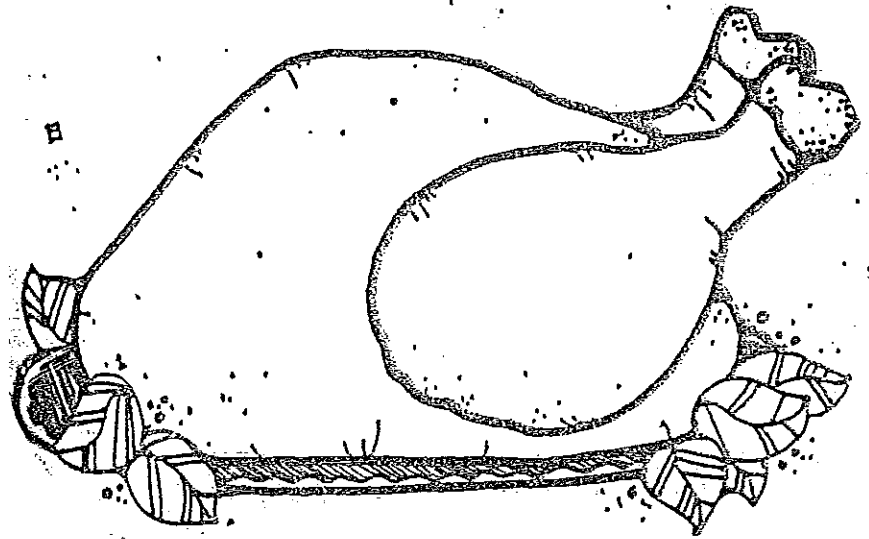

The highlight of the week...yes...sharing our Stone Soup with all of you!
