

April

Things that we did the week of April 25

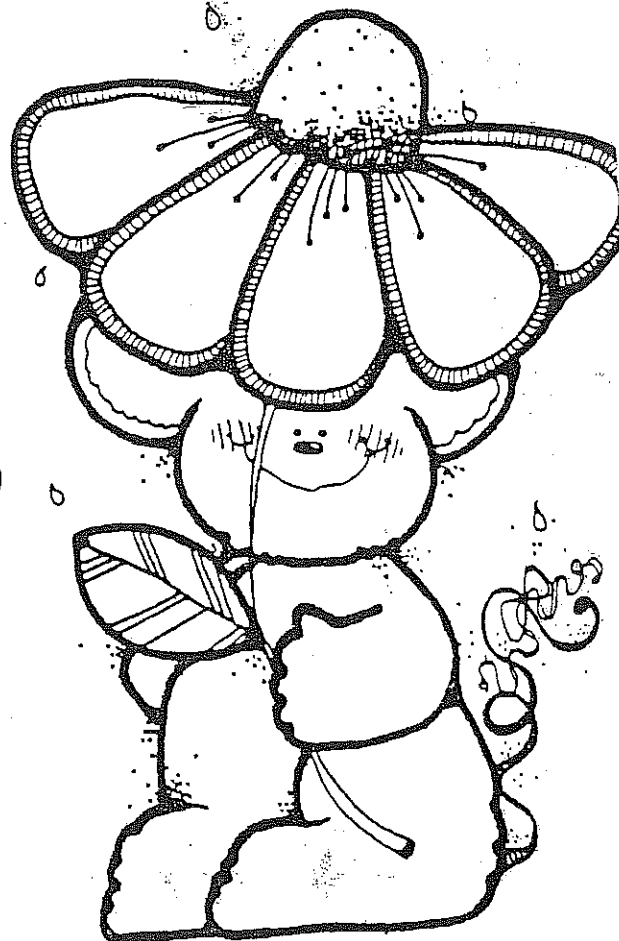

- Welcome Back everyone! We started the week off by **sharing** what we did during our long weekend and finding out where our baskets were hidden – that Easter Bunny was very tricky!
- Number **9** is our number for the month so this week we continued to review **9** with counting and writing. We did our **9** page for our thumbprint book, reviewed our shapes by drawing them **9** times, and even wrote the first **9** letters of the alphabet! We're getting so good at writing all our letters, numbers, and shapes- just ask and I'll show you!
- Throughout the week we talked about **Grandparent's/Special Friend's Day** that will be here real soon! We practiced several songs for them, made them special projects to take home, and practiced a special story to act out for them! We can't wait for the **BIG day!!!** Don't forget to mark your calendar for this very special and fun day ahead – **next Friday, May 6th!!!!!!** (Remember, if a grandparent or special friend is unable to attend a parent is welcome to come!)
- Now that May is arriving our final letter of the alphabet is upon us– **Yy**. The sound and signs of **Yy** were introduced. Next week we will continue and practice with tracing/writing **Yy**. Mrs. Schaefer's Secret **Yy** Box will be discussed and we will work on our **Yy** page for our alphabet book too. We will also have fun wrapping up the alphabet by reviewing our letters to Chicka Chicka Boom Boom!

SPECIAL NOTES

Please pay special attention to the "Dates to Remember" above. Mark your calendars for the upcoming end of the year events.

Mr. Erickson would like to remind those 4K students that wear flip flops or sandals to school on Phy. Ed. Days to remember to bring **gym shoes** as well. Now that the weather will (hopefully!) be warming up he knows there will be a lot of sandals and doesn't want anyone to have to "sit out".

IT'S CONFIRMED! The date for our last **FIELD TRIP** is **Tuesday, May 17th**. The **PM 4K CLASS** will attend the morning session on that day. More information will be sent home next month.

It's hard to believe we're to the end of April ...
May is knocking at our door...
AND
there are only 5 1/2 WEEKS left of school...

Have a SUPER Weekend and Happy May!
