

April

Things that we did the week of April 4

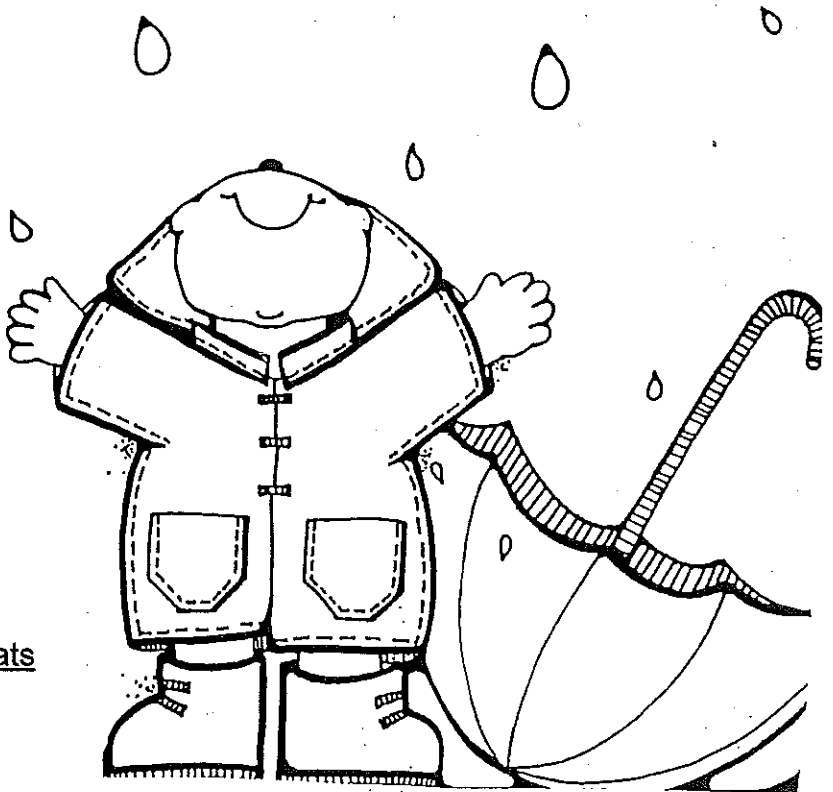

- Welcome Back everyone! We started the week off by **sharing** what we did during our long **vacation** and talking a little about all the **April Fool's Day** tricks we played on our friends and family and the ones that were played on us too! **Everyone was very silly we think!!!**
- April Showers...brings May Flowers was on our minds this week as we were so excited to meet our new "weather bear". Each day we discuss the forecast, dress weather bear, and hope that the warm **spring weather** will come and stay!
- The letter **Ee** was introduced this week along with its sound and signs. We practiced tracing and writing Ee, saw Mrs. Schaefer's Secret Ee Box, and did our Ee page for our alphabet book. We also read several Easter stories, did several Easter projects, listened to Easter songs, did an Easter Egg following direction exercise, and also had LOTS of FUN bringing in "Easter" colored things for Sharing Day on Friday!
- **Grandparent's/Special Friend Day** will be here soon so we're starting to get ready! We're practicing several songs for them, we'll be making them special projects to take home, and we'll be practicing playing BINGO to help them along if they don't know how to play! We can't wait for the BIG day in May!!!
- Number **9** is our number for the month so this week and throughout April we'll spend time reviewing all our numbers and do several "9" activities: **9** writing, **9** object counting, **9** shape drawing, **9** page for our thumbprint book, and **9** alphabet writing.
- **Ovals** our on our minds this April as well. We talked about what ovals look like and had fun tracing/drawing them too. Next week we'll even get to make ovals (and other designs) with jellybeans!!!

OUR PROJECTS

Oval practice
Ee ABC page
Egg Bunny
Tissue paper Egg
Small Easter Chick
Large Easter Chick
Pattern Bunny
Dot Bunny
Sponge paint Bunny

		<u>BOTH CLASSES AM SESSION</u>	
		Last Day of School	<u>4K - 7</u>

Thanks to **Jaden** (AM class) **Wilson** (PM class) for bringing in Wednesday's Special Snack!

SPECIAL NOTES

Grandparent's Day will be on **May 6th** and again it will be in the afternoon. Therefore **4K** will be switching that day and we will be having an **AFTERNOON CLASS** instead of morning. I have confirmed that **4K** will stick to its regular afternoon time **12:25 - 3:15 PM**. More information sent home soon.

JUST A HEAD'S UP!!! I'm hoping to squeeze in one last **FIELD TRIP** in May. Plans are still underway and I will let you know all the details as soon as possible

ALSO, our **4K-8th Grade Spring Concert** will be on **May 24th**. Please note that there will be **ONLY ONE** performance. The evening performance will be at **6:30 PM**. More information will be sent home at a later date.

ONE LAST HEAD'S UP!!! It's hard to believe I'm announcing this date already, but I know some parents need advance notice to take off of work...So... **4K GRADUATION DAY** will be **Thursday, June 9th**. WOW – this year is flying by!!!

ALSO,

IMPORTANT DATE CHANGES

The **5K-8 Science Fair** has been changed to **April 28**

NO 4K MORNING SESSION on **May 6**
BOTH CLASSES will attend the **AFTERNOON SESSION**

The **Art/Music Show** on **May 24** will be a **REGULAR 4K** day.
AM and PM class times will stay the same.

**Happy Weekend
and
Warmer Weather ahead!!!**
