What do you like most about being here?

A little personal info?

I have been married 36 years to the most beautiful woman and we have 1 awesome daughter.

And Introducing...

Mr. Phillip Grimm, 3rd Grade Teacher

Mr. Grimm began teaching here in the fall of 1984. If you do the math, he's in his 27th year! His first assignment was teaching language arts in grades 7-8, reading in grade 2 and spelling in grade 3...all in the same day! Since then, he's taught grade 2, grade 3 and Middle School Social Studies. As you can see, he has worn many hats and enjoyed them all!

- 1. Where would you travel if money was no object? My destination would be Australia. I've always wanted to see the Great Barrier Reef and explore the Outback. My parents have been there and say it's beautiful!*
- 2. Tell us about a favorite childhood memory: We traveled across the U.S. My family went on 3 cross-country trips when I was a kid. We camped in a tent or pop-up and visited most of the National Parks out west.*
- 3. Share with us a hobby or interest: Working on and fixing up motorcycles, particularly Japanese sport bikes. I've owned 16 cycles since I began riding and I enjoy watching the Pro riders race at Elkhart Lake in the summer.*

A powerful message from AT&T about the dangers of texting while driving. Watch this and remember not to do this yourself and remind those teens and others in your life to commit to "no texting while driving" as well!

Dear Parents,

We are implementing a new program called Fishin' with the Fuzz that will allow local Law Enforcement Officers and older children (12-14yrs) to develop a relationship that will make a difference in both their lives and hopefully last a lifetime.

The program allows the children to go ice fishing with the Officer. The child will be provided all the equipment to ice fish as well as a small meal and drink.

The Dodge County Law Enforcement Association has worked very hard in seeking donations from the citizens and businesses in Dodge County so that this program can be offered to you at no cost of your own. There is no obligation on the parents' behalf in any way except to allow their children to be able to participate in this new and exciting program.

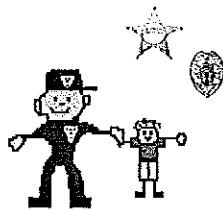

We are inviting your child (ren) to participate in this very exciting and rewarding program. We will be meeting on February 26, 2011 at 9:00 a.m. at the Beaver Dam Police Department, 205 S. Lincoln Ave., Beaver Dam. We will fish from 9:00am until 1:00pm in Fox Lake and will arrive back in Beaver Dam at approximately 1:30pm at which time you can pick your child up.

If you are interested in having your children participate in this awesome program, please fill out the attached form and return them to: Deputy Jail Administrator Patricia Ninmann, 216 West Center Street, Juneau, WI 53039. These forms will need to be returned by February 23rd as the "big fishing day" is fast approaching. When we get the form returned, you will receive a phone call confirming that your child was selected.

Sincerely,

Dodge County Law Enforcement/Shop with Cops Committee
